LIST OF PARTICIPATING ILLINOIS
HEALTH INSURANCE EXCHANGE PLANS

Northwestern Memorial Hospital has agreements with the following list of IL Health Insurance Exchange Plans which will become effective 1/1/14. Please be aware there are other health insurance exchange plans that you may be able to seek services at a NMH facility if you have an out-of-area plan. It is always beneficial to contact your insurance plan to verify participation of a hospital. There is also information available from an Affordable Care Act Assister. Contact information is available at www.getcoveredillinois.gov

Please note that for Blue Cross Blue Shield plans, NMH does NOT participate in any of the Blue Choice PPO plans.

The following list of plans will be updated periodically as new information is received and when new plans are added. Please verify whether NMH participates with your plan.
