This conference series is designed to promote networking and impart knowledge on the latest updates to transplantation technology/knowledge. Appropriate for all health care professionals, case managers, social workers, nurses, discharge planners and health insurance professionals.

Mark your calendar for the following conference date:
November 9 :: Stem Cell Transplantation

After this conference you will be able to:

- Identify psychometric methods to assess organ donor and recipient quality of life
- Describe recent research efforts of the NUTORC Quality of Life Workgroup
- Identify the primary indications for heart transplantation in children
- Describe relative contraindications for heart transplantation
- Describe the benefits of collaborative work for transplant safety
- Identify the systems and processes of transplant care and how to assess and improve them
- Identify and discuss the different types of disease for which the Hispanic population is at increased risk
- Explain the differences in organ donation between Hispanics and non-Hispanics
- Describe the effects of kidney transplantation on cardiovascular risks, morbidity and mortality in children
- Discuss the burden of obesity in children after kidney transplantation, and its impact on cardiovascular risk
- Recognize the various immunosuppressants used in solid organ transplantation including mechanisms of action, dosing, monitoring, administration, adverse-effect profiles, etc.
- Describe the various immunosuppressant protocols/strategies used according to type of organ transplanted
Registration
This conference is complimentary. To register, please complete the enclosed registration form and fax it by July 29, 2011 to Patricia Phillips at 312.695.3355. For additional information, contact 312.695.5023.
Children’s Memorial Hospital is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Contact hours will be provided for this educational activity.

Location
Children’s Memorial Research Center (CMRC)
2430 N. Halsted Street, Wolfson Conference Room A
On the campus of Children’s Memorial Hospital
Chicago, IL 60614

Parking
For your convenience, complimentary valet parking will be available in the parking garage at 2316 N. Lincoln Avenue (proceed to the 7th floor of the parking garage for valet service). Your ticket will be validated after the meeting.

Remarks From Recent Attendees
“Very informative, excellent learning experience. I would recommend this conference to fellow transplant case managers.”
“Very thorough — it’s wonderful that this is a complimentary conference.”
“For someone without a strong medical background, the conference was targeted to all disciplines who may be working with adult or pediatric transplant patients.”
